Sometimes the only fairytales that exist are the dark ones. For the past two years, Hope Annandale has fought to hold onto her sanity. Plagued by voices and visions, she struggles to understand what's real and what's an illusion. As the lines between reality and hallucination blur, Hope discovers things that shouldn't be real suddenly exist. When Hope's world falls apart, figuring out the secrets of her past becomes a matter of life and death. And the only one who can save her is the dangerously attractive demon prince, who is bound by an ancient legacy to betray her. The fate Stone has fought to escape is here. With destiny on one side and desire on the other, Stone must protect Hope from the one thing he can't hide from - his birthright. What if the one person you were meant to be with could never be yours? Stolas, the first novel in the Dark Soul series, is a riveting tale of passion, danger, and forbidden love. Intended for mature listeners 18+ due to language, violence, sexual situations, and dark themes.
