Pearson Education Limited, United Kingdom, 2001. Paperback. Condition: New. Language: English. Brand new Book. "Rigby Star" is a guided reading programme developed specifically to meet the requirements of the NLS. It offers stories and teaching support to help plan and manage guided reading lessons - all within a structured reading programme. Teaching versions offer support for every title, with prompts for discussing the story summary; preparing pupils for the "walkthrough", in which the pupils think about such clues to the book as the blurb, the cover image and title. The readers are part of a carefully levelled structure to help ensure that every child has the right book, at the right time. Every book has links to independent/group reading and writing activities. The scheme also offers support for follow-up and assessment, such as suggestions for further activities and assessment. There is a writing activity linked to every book.
